APRIL PROGRAMS

APRIL 28 CLUB ASSEMBLY

Today was club assembly. We had club updates and in addition, Rich Webb joined us again to give a presentation on the Alaskan Sudan Medical Project. He invited the club to attend a fund raiser on May 29th at the Anchorage Museum of History and Art.

ANNOUNCEMENTS.

SPECIAL PROJECTS...Ralph reported that now that the supplies are purchased, he will need help constructing the Kids Don't Float racks. A tentative time is the weekend after Relay for Life, which is the 24th, 25th of May.

District Conference is May 8, 9, 10. The Timm's, the Buzzard's, and Mitch will be representing our club in Soldotna at the Dist. Conference.

Nola reported on the **Health Fair**. It was a wopping success. We had 11 club members volunteering from traffic control to colorectal cancer information, b registration and check out and even flipping pancakes. And our own Nola Kurber was in charge of all the volunteers and a fine job she did. We all had fun and learned a few things, and got our blood work up's done at the same time.

Mitch reported on the **Scholarship** committee. We will discuss extending the deadline at the board meeting following this meeting. Robert Hall would like to take

some applications to Houston High School.

Gladys and Kathy reported on the **Relay for Life**. We currently have 9 members and about \$10K worth of auction items have been accumulated thus far. We have lots more out there to pick up. If you have donations for the silent auction, please bring them to the next meeting or call Jack at 75-7671 to make arrangements to get them.

FOUNDATION update was given by **Keith Kurber**. Keith wanted to remind everyone of the club's commitment to contribute to the Bill and Melinda Gates matching fund. If we each give \$100 over our regular giving, at one time, we would meet the \$33 a year for 3 years suggestion and then some! Let's see what we can do!

Nola reported that our club may qualify for a Health and Hunger Rotary Award and she will get with Pres. Jack to see if we can submit the paperwork for this.

Ralph and Claudia reported that Big Lake Elementary has invited our club to an appreciation breakfast at the school tomorrow morning, for our efforts in the coats for kids program. Claudia will represent the club.

We have a carryover this week of \$115.
