Jack Timm and Wayne Pattison/ Field Operations
Supervisor with the Census Bureau

Our program today was Wayne Pattison with the US
Census Bureau.

Wayne Pattison is a visiting Rotarian from Port
Townsend , Washington, although he is seldom at home.
He enjoys visiting Rotary Clubs in his travels. Wayne is
the Field Operations Supervisor and his job takes him
around the country for most of the year. The Census will
be taken next April, so now the Bureau is confirming
addresses. When the census is taken, it will be the
biggest deployment of bodies..even bigger than WWII
deployment! They will be recruiting this Fall (\$17.50 an
hours doesn't sound too bad!). Wayne says don't be put
off by the test they require....it is very easy.
