TIME AND VENUE OF OUR MEETING PLACE. WAS DISCUSSED.... we voted to put off the venue change for 90 days....until all of our wandering memebbers are home to give input. We also voted to eliminate the evening meetings. We are looking for **feedback** from you on the venue. If you have an opinion of a meeting place other than the Senior Center please let the board members know. Most at this meeting are very happy with the Senior Center. However, are intention was to reevaluate in 6 months so that is what we are doing now.

Imagination Librarydo we want to do this project again next year? The club does want to do the Imagination Library again..it is a great project. It will be one of our 5 Literacy projects for the coming year. Kathy had a meeting with Katie Conover. Katie is recently back from Dollywood and Katie and her Mom will be championing the Imagination Library in the Valley. Meadow Lakes is currently on board and have 46 families taking part in the program, thanks to Our club and Sunrise Rotary.

Books for Speakers are on the way. A set was ordered thru Katie Conover and Jack also ordered a couple sets online. This will be #2 Literacy Project. The books will go to Big Lake School.
